## Sorting and Labeling

---

1. Spread the picture cards out so that you can see all of them.
2. Show each item to your child and ask him or her to say the name of the item.
3. Now sort the items into categories. You can use the ones below or come up with your own.
  - Room (where it belongs)
  - Size (e.g., big, small)
  - Material (e.g., wood, metal, plastic)
  - Price (e.g., expensive or inexpensive)
  - Fun to use
  - Needs to be plugged in (or not)

These materials have been made available with the generous support of Scholastic, Inc., and come from the program "Engaging Families in Children's Literacy Development: A Complete Workshop Series."
